**FOR IMMEDIATE RELEASE**

**Illumia Forms Partnership, Expands Solution Ecosystem**

**Chicago, IL** — Illumia Consulting Group today announced a partnership with The Blanchard Companies, a world class management training, consulting, and coaching organization.

Illumia’s Managing Partner, Admira Ibisevic said: “The Ken Blanchard Companies is a coveted organization that has stood the test of time through innovative people development concepts, focus on both theory and practice, as well as a highly trained network of practitioners that deliver quality work. This includes solutions that span transformative leadership, online programs and microlearning, blended digital learning journeys, and collaborative online experiences. The Blanchard partnership complements our capabilities, brings an expanded suite of solutions to our client base, and underlines our commitment to operate as a trusted thought partner on people topics globally while driving the future of work agenda.”

The Ken Blanchard Companies is a global leader in management training, consulting, and coaching. For more than 40 years, Blanchard has been helping organizations develop inspired leaders at all levels and create cultures of connection that unleash talent and deliver extraordinary results. Blanchard’s SLII powers inspired leaders and is the leadership model of choice for more than 10,000 organizations worldwide.

**About Illumia Consulting Group**

Illumia Consulting Group is a management consulting firm focused on delivering performance through people. We cultivate teams that strive to achieve dramatically transformative outcomes — achievements that alter the very DNA of the organization while considering both financial and human elements.

Our approach is anchored in nearly 40 years of research, psychology based effectiveness tools, and substantial results across automotive, aerospace, defense, chemicals, consumer products, financial, government, life sciences, media & entertainment, military, minerals, non profit, public relations, and technology sectors.
