FOR IMMEDIATE RELEASE

Illumia Launches Management on Catalyst™, Leadership Effectiveness Solution

Chicago, IL — Illumia Consulting Group today announced Management on Catalyst™, a digital solution focused on enhancing leadership effectiveness in the modern workplace.

Illumia’s Managing Partner, Sanel Kostic said: “Management on Catalyst is designed with the modern workplace in mind. It leverages both adaptive technology and human centered concepts to help leaders enhance effectiveness through highly pragmatic and actionable strategies. This includes modernized core leadership skills, deeper understanding of leadership styles, and real time guidance on ways to better engage, motivate, and develop their people while successfully navigating the reimagined world of work.”

Management on Catalyst™ is an experience designed to prepare leaders to successfully engage, motivate and develop their people. This innovative technology is anchored in 40+ years of research, computer adaptive algorithms, and a deep focus on productive mindsets, habits, and behaviors. The result is a more engaged, collaborative, and nimble workforce that has an immediate and lasting impact on an organization’s culture and performance.

About Illumia Consulting Group

Illumia Consulting Group is a management consulting firm focused on delivering performance through people. We cultivate teams that strive to achieve dramatically transformative outcomes — achievements that alter the very DNA of the organization while considering both financial and human elements.

Our approach is anchored in nearly 40 years of research, psychology based effectiveness tools, and substantial results across automotive, aerospace, defense, chemicals, consumer products, financial, government, life sciences, media & entertainment, military, minerals, non profit, public relations, and technology sectors.
